Monday 4th May 2020,

Good morning everyone,

I hope you have all had a good weekend. It looks like we might be in for some nice weather this week so hopefully you will all be able to get some fresh air and do some outdoor activities, whilst of course following the rules.

We are still missing you all but are hopeful that in a few weeks' time things might change a bit so that slowly we can start to reopen the school. It will take quite a while to get back to normal but it will be wonderful to start seeing some of you in school again.

It looks like you are doing a fantastic job of learning from home. I really enjoy receiving emails showing me some of the things that you have been doing, please keep sending these. I have been learning some new things too whilst the lockdown has been going on. As you know, I love playing guitar so I have learnt how to use some new computer software to record some songs.

Did you know that today is Star Wars day? May the fourth be with you! I hope you all have a good week. Stay safe, keep well and hopefully we will see you soon.

Mr Dyson

Mr Dyson's daily challenge

Today's challenge is to find the odd one out. There may be several answers that are possible but remember, the important bit is to write a sentence to explain why you have chosen your answer. For older pupils some of these might seem a bit easy but I want everyone to be able to have a go. You could always try to find a more unusual answer and explain why. I have put a few in there that are a bit harder! Good luck.
